
THE DOWNS * BRISTOL

SATURDAY 02 SEPTEMBER 2017

TRAVEL

NO EVENT PARKING

There will be no parking provided on or around The Downs for attendees to the event.

Please note: there will be a number of road closures around the Downs and Sneyd Park on the day of the event. Almost all parking around the Downs and Sneyd Park will also be suspended. We urge you not to bring your private vehicle to this event and to use other travel options. If with a young family we recommend driving your vehicle to one of the Park and Ride locations and travelling by bus from there.

SHUTTLE BUS SERVICE/PARK & RIDE

In partnership with First Bus we will be running an event shuttle bus service. The buses will run from Temple Meads and The Centre to and from the event site from midday until midnight. Tickets can be bought on the bus – a single journey costs £3 and a return is £4 (a return shuttle bus ticket can also be used as a day rider ticket and used for any journey on the First Bus Inner Bristol Network). Children under 16 travel free but must be accompanied by an adult.

First Bus will also be running park & ride services from Long Ashton and The Portway sites. These services will run from 12.30 – midnight. Return Tickets will cost £4 (children under 16 travel free, but must be accompanied by an adult).

CYCLING

To encourage cleaner travel around Bristol and provide facilities for cyclists to ride to this event, we will be working with Sustrans to provide a dedicated bike park area. Cyclists will need to pre-register for bike parking via the Sustrans website. On arrival to the event, registered cyclists can park bikes in the designated bike park and collect after the event has closed.

Click on the link below to register for the cycling initiative www.sustrans.org.uk/massive-attack-bike-parking

COACHES

Please contact us at enquiries@teamlove.org if you have organised a coach for group travel to the event.

TAXIS AND DROP OFF POINTS

We shall be providing designated Drop Off areas for private vehicles. Please follow the event traffic signage on the day.

ACCESSIBILITY PARKING

If you require accessibility parking then please notify us in advance katie@teamlove.org or call our office on 01179 411611
